Complete Book of Diagrams \$24.00 by Mary Daly
Diagramming Worktext \$15.00 by Mary Daly
Says the author, "Diagramming is a powerful tool for understanding syntax because it is both *systematic* and *visual*...Once you understand diagramming, you will use it, at least subconsciously, every time you meet a sentence with more than two clauses. It will give you that firm grip on syntax that brings you to the end of a complex sentence with your thoughts in order." Includes step-by-step teacher's section, clear examples, and a truly elevated content. Worktext provides additional practice exercises. 12+
